**Re: WPYO(FM), Facility ID Number 1186, BALH-20190702ADV
WSUN(FM), Facility ID Number 67136, BALH-20190702ADS**

Dear Ms. Dortch:

On the date hereof, Cox Radio, Inc. ("Cox Radio") filed consummation notices in the FCC's Consolidated Database System ("CDBS") regarding the consummation of the transaction described in the above referenced FCC applications. As described in those consummation notices, Cox Radio and CRX Radio, LLC ("CRX Radio, LLC") consummated the transaction on December 17, 2019. However, due to limitations of CDBS, Cox Radio could not clarify in the filed consummation notices that the parties only consummated the transaction to the extent permitted by the Commission's consent issued on November 22, 2019 (Memorandum Opinion and Order, DA 19-1206), including, but not limited to, the right to continue to operate the stations under the FCC Licenses, pursuant to 47 U.S.C. § 307(c)(3). At such time that the FCC grants the pending license renewal applications currently pending for WPYO(FM) and WSUN(FM), Cox Radio shall automatically assign to CRX Radio the remaining interest it holds in the FCC Licenses.

Please contact the undersigned counsel if you have any questions.

Respectfully submitted,

Michael D. Basile
